

CINNAMON BLACK LIVE! A Mini Series

Cinnamon Black knows that after losing her friend Regina, there are things in her life that need changing. It took the death of a woman she wasn't supposed to care about to make her realize how depleted and over extended she was. On this her husband, Malcolm is in complete agreement. These stories are written in continuing serial style and takes us inside the life of Cinnamon Black and those she loves and who professes to love her.
