

Cold Bitch (My big fat book of teenage poetry)

Welcome to my teenage mind. Life wasn't easy for me growing up. A child of an alcoholic. I wasn't nurtured. I was shy, modest, and I retreated. I became anorexic, and I still battle the vicious disease to this day. I felt alone. These are words taken straight from my teenage head, no filtering, no holding back. No alterations. You'll see darkness. Suicidal thoughts. Struggles and sadness. But I'm still here. Still fighting. You aren't alone.
