

If Only the Names Were Changed

Andrew Miller's *If Only the Names Were Changed* is the immensity of self turned into sharp, dangerous literature. The world/mirror inside the author has been dissected and is being offered for consumption, but not without a warning: this is brutal, sad writing that's been touched by death, drugs, booze, heartache, and enough uncertainty and self doubt to make it as venomous as it is necessary, powerful, and true. Gabino Iglesias, author of *Zero Saints*
