

Dearly Devoted Dexter

Lifes tough for Dexter Morgan. Its not easy being the worlds only serial killer with a conscience, especially when you work for the Miami police. To avoid suspicion, Dexters had to slip deep into his disguise: spending time with his girlfriend and her kids, slowly becoming the worlds first serial killing couch potato. Then a particularly nasty psychopath starts cutting a trail through Miami a killer whose twisted techniques leave even Dexter speechless. When his sister Deborah, a tough-as-nails cop, is drawn into the case, it becomes clear that Dexter will have to do come out of hiding and hunt the monster down. Unless, of course, the killer finds him first. . This edition includes an excerpt from Jeff Lindsays Dexters Final Cut.
